Dear Parents and Carers

As part of the Connected Community strategy, part of our role is to work in partnership with other local support groups to ensure that we can provide the maximum support required to our students and their families.

This Semester, we are fortunate to have Angelia Ralph from the Moree Family Referral Service working as part of our school. Angelia is able to work closely with families to provide links to services within our local community.

If you are interested in talking with Angelia about the types of support the Family Referral Service can offer, please do not hesitate to contact the Assistant Principal, Kate Brennan on 67521733.
NATIONAL SMILE DAY

Children in K/1 H have been brushing their teeth after second break each day for the last week in preparation for National Smile Day—Tuesday 1st April, (also April Fool’s Day).

The children certainly had the shiniest smiles around!

Children have taken their toothbrushes and toothpaste home to keep up the good work in keeping their smiles bright.

MOREE SHOW 2014

This week is the Moree Show. Stage One children were required to present a portrait of their mother.

Students artwork will be on display at the Moree Show in the pavilion.

Please take the time to view you child’s artwork this weekend at the Moree Show.
