PRINCIPAL’S MESSAGE

Yamma

Expressions of interest are being called for two parent/carer positions on the Connected Communities, Moree East Public School, Reference Group.

To assist in making a decision, detailed information about the Connected Communities Strategy and the Group’s Terms of Reference is attached, however should you have any questions then please give me a call or drop in and see me at the school. In addition, I will be available for a yarn and cuppa this Friday 30th August at 10.30 at the Old Leagues Club Oval in Anne Street.

If you are interested all you will need to do is simply identify yourself to me by next Tuesday 3rd September. However, please note that you must be a parent or legal carer of a child at Moree East Public School.

Once expressions of interest have been submitted, Carl McGrady, President of the local Aboriginal Education Consultative Group and myself will conduct a draw and the first two names drawn will be the official parent/carer members on the Connected Communities, Moree East Public School, Reference Group.

The first meeting of the Group will be on Thursday 20th September at 11.30am. Future dates and times will be negotiated by the members of the Group.

This is an amazing opportunity so please don’t hesitate in putting your name forward.

Until next week take care of yourself and each other.

Green Valley Farm Excursion

Notes have gone home and the excitement is building! The talk is buzzing as students decide which part of the excursion they are looking forward to the most. Please make sure you have returned your child’s note and money to the front office to secure their place on the bus.

Thank you to everyone for your support in our fundraising for the excursion.

Quality Teaching and Learning

Miss McNamara is in her final week with K-24. Her three week practicum has been an exciting time of learning for Miss McNamara and the students in K-24. We wish her all the best in her future studies and her career as a teacher.

K-24 enjoyed learning about rolling and sliding with hands on lessons.

Boys and Girls Touch Football
A big congratulations to the boys & girls touch football teams. Both teams showed exceptional skills and good sportsmanship against Warialda.

The girls lost by a try and the boys got up by three. Well done to all.

A big thank you to Fred Knox for stepping & coaching the boys. It was also great to see the school & community supporting both teams.

School Photographs

It is that time of year again for school photographs. Just to let everyone know, envelopes will be handed out this week to each Student. Can parents please fill them in and return to the office, together with money.

For families requiring sibling or group photos, please call in to the office to collect a sibling envelope.

To make sure everything runs smoothly please make sure all monies are paid to the office before photo day.

To let parents/carers know in advance, and to help everyone get organised, Advanced Photographs are a privately owned company. Therefore photos must be paid by cash as there is no centrepay available for this occasion.
