PRINCIPAL’S MESSAGE

Student reports were handed out to the students last Friday, the 6th December. Student reports are very important as it informs you about your child’s learning. A parent/teacher ‘yarn up’ will be held this Thursday 12th December from 3.30pm. If you would like your child’s classroom teacher to talk you through the report then please make contact with them and arrange a time.

Next Monday 16th December the school will be holding their annual Awards Ceremony. This is a significant event as students are acknowledged and rewarded for their hard work and achievements. Please join with us to celebrate this very special time. The ceremony will commence at 10am. All students must wear full school uniform, this includes black shoes. Refreshments for our parents and special guests will be available thereafter.

If you have a child or know a parent who has a child who is eligible to start school in 2014 please let them know that they will need to come and enrol their child prior to the end of the school year. This is so the school can ensure they are prepared for a smooth transition into their first formal year of schooling.

The final day of the 2013 school year is Wednesday 18th December. Please make sure that your child attends school right up until the very last day as there are many end of year activities happening and we certainly don’t want them to miss out.

Until next week.
