PRINCIPAL’S MESSAGE

Term Four is moving along quickly with exciting events quickly approaching.

We have the fete on Friday the 15th of November and excursions to Sydney and the Gold Coast during week 8.

Last week, year 5/6 celebrated Halloween with a disco and all the school were invited. Everyone looked great in their costumes, especially Mrs Kelly. Thank you to Jamie for providing music for the evening.

The whole school attendance rate is impressive with the majority of children attending school daily and winning lots of prizes to celebrate their commitment to school. The current whole school attendance rate is 95% and an attendance draw to celebrate student attendance will be held at this Friday’s assembly with students hoping to win scooters as prizes.

The government has announced news of upcoming renovations to our school and planning for this will occur over the next few months. This is an exciting time for the students at Moree East public school.

Have a great week.

Transition to School

Last Wednesday children from Kiah Preschool came to visit for the morning in Kindergarten. They were welcomed in to the school by Year 6 students Bailey and Georgia Smith. The pre-schoolers were able to enjoy a story and then worked at desks, practising for “big school” next year.

The pre-schoolers were able to rotate through four desk activities which were lead by fabulous primary students Kiara, Kalara, Kaedyn, and Georgia, who became mini-teachers for the morning.

A wonderful school experience was enjoyed by the teachers and children. The pre-schoolers will continue to visit, each Wednesday between 10:00 and 11:30 am.

We invite all children starting kindergarten in 2014 to come along.
