PRINCIPAL’S MESSAGE

A huge thank you to everyone who supported the school fete last Friday evening. From the staff at MEPS who worked tirelessly to pull it all together, to the local business houses who donated time or goods, and to you, the parents, I say thank you. The money raised will be used to support the engagement of your child in school activities. The fete is a team effort however there is always a motivated driving force behind all things that are good so well done Mrs Mikaere, we all appreciated the time you committed to ensuring that the Fete was a success.

Also congratulations to the Sistas for providing hair raising experiences last Wednesday, at the Marvellous Mums and Deadly Daughters afternoon. MEPS certainly has some future hairdressers amongst our midst.

A busy week finished and another busy and exciting week lies ahead.

Next week, Years 5/6 and Years 4/5 will be on their annual school excursion. Year 5/6 is off to experience the Gold Coast and Year 3/4 is heading to Sydney. I am sure that all students participating in the excursions will have an amazing time and be immersed in quality learning experiences.

Finally, but most importantly, please join us in celebrating the success and achievements of our strong and deadly students, your children. Presentation day is set down for Wednesday 4th December at 10am. A light lunch will be provided following the ceremony.

Intensive Swimming

Intensive swimming starts on the 2nd of December finishing on the 16th with a fun session for the students on the last day which includes the use of the water slide.

The Intensive swimming is an important part of a child's education and we encourage you to include your child in the program.

The program will be run from 9.30 to 12.30 and will be appropriate to each child’s needs. Any parents or care givers who are willing to give up their time to volunteer for such a fantastic yet life saving program are more than welcome.

An updated permission note with all the details will be sent home with every student. We encourage all parents/caregivers to return this as soon as possible.

If you have any questions please don’t hesitate to call the school.
