PRINCIPAL’S MESSAGE

The Years 3/4 and 5/6 excursions are now complete and smiles on the children’s faces says it all…all who participated, including staff, had an amazing time. Well done to all students for their safe and cooperative behaviour. A big thank you to the staff who coordinated and then supervised the students.

BUT WAIT….. the school year is certainly not over yet! This week intensive swim commenced and will run up until Tuesday 17th December.

Tomorrow, Wednesday 4th December is a very busy day as the Year 6 students will engage in their final transition to high school session and then later in the day the Year 6 boys have been invited to attend the Clontarf graduation.

School reports will be handed out to students on Friday 6th December. Your child’s teacher would appreciate the opportunity to talk you through the written report and have made themselves available next Thursday 12th December from 3.30pm for parent/teacher meetings. Please make contact with your child’s teacher and secure a time that is convenient for you.

Finally, it is that time of the year when we need to say congratulations and farewell to our Year 6 students. The Year 6 farewell dinner will take place next Tuesday 10th December. The students will bring home a more detailed note.

Please look inside this school newsletter edition and note the identified activities in the coming weeks.

Until next week.

3/4 excursion to Sydney

Last week some students from year 3 and 4 had the chance to travel to Sydney as a reward excursion. The Royal Far West were great hosts for our stay and we had lots of fun. We enjoyed visiting lots of great venues including Manly beach, Taronga Zoo, The Australian Museum and Manly Sea Life Sanctuary.
