Visiting Performance – You Can Do It

Yesterday many children had the opportunity to enjoy the “You Can Do It” show in the hall. Through story telling and circus skills, guest performer Llynda reinforced the message that effort, persistence and positive thinking can help you to achieve your goals. This was a great afternoon for all involved. We look forward to the next visiting performance in Term 3.

Parent Helpers

Ms Horvat is looking for volunteers who may be able to help with a number of small jobs. These jobs include covering books, laminating resources and small gardening jobs. If you have a spare half hour as you drop children off or pick children up, this would be much appreciated. Parents or family members who are able to listen to individual children read, would also be welcomed.

Marvellous Muffins

Each Wednesday, a selection of muffins will be sold during recess break. These will cost $1:00 each and all proceeds will be used to buy “photo story books” for students. Thank you for your support.

Reconciliation Assembly

Family and friends are invited to join us for our Reconciliation Assembly this Friday at 10:15am. A highlight for this assembly will be the Senior boys dance group. Guests are invited to stay for morning tea following the assembly. We look forward to seeing many family members and friends.
