Yaama

Moree East School Community is made up of many different people, all of whom play a part in the running of our school and the provision of quality education to students.

School Administrative and Support Staff, whether they work in the office, the library, on school grounds or in a classroom setting are important contributors to the success of the school and the children’s education.

This week, 31st August to 4th September is School Administrative and Support Staff Recognition Week. The week provides an opportunity for the school community to acknowledge the vital role that School Administrative and Support Staff play in education.

The theme for 2015 is: ‘Our jobs, Your children, Their future’.

The teachers and students at Moree East Public School would like to acknowledge and say thank you to our dedicated and caring School Administrative and Support Staff over the 2015 school year.
